Adrian Hartanto
Web Developer

PROFILE

Name   : Adrian Hartanto
Birth of Date   : Bogor, 12 Desember 1996
Gender   : Laki-laki
Address   : Jl. Bambu Apus V no. 9 Taman Yasmin
                   Bogor

My name is Adrian, I am currently studying at Bina Nusantara University majoring the computer science. I am a person who is quite responsible, work hard, easy to get along and can work with anyone. Besides computer science that I learned, I also have a lot of experience about business, especially the automotive, bicycle and online shop business.
